REQUEST FOR CORRECTED
PATENT APPLICATION PUBLICATION

Via FAX: 703-305-8568
U.S. Patent and Trademark Office
Washington, D.C. 20231

Sir:

Applicants respectfully request correction of U.S. Patent Publication No. US-2002-0063622-A1 ("the '622 Publication"). Upon review of the '622 Publication, it was discovered that only the first two of a total of 18 drawing sheets were included therein. In particular, as demonstrated by the attached two sheets, the '622 Publication only included two drawings sheets, Sheet 1 of 2 (Exhibit 1) and Sheet 2 of 2 (Exhibit 2). However, as demonstrated by the attached transmittal letter (Exhibit 3) that forwarded the instant application to the U.S. Patent and Trademark Office and by the Filing Receipt (Exhibit 4), the instant application includes 18 drawing sheets.

Applicants believe that the failure to include sixteen full drawing sheets is a material error, and thus no fees should be due. However, if any fees are required, please debit Deposit Account No. 01-1785 of the undersigned attorneys.
